

VIDEO VEGAS

BY FUNWARE

For use with the Texas Instruments TI-99/4A Home Computer.

INSTRUCTIONS:

Test your luck at the most realistic slot machine outside of Las Vegas! Authentic, exciting sound effects dramatize the action and help to create an atmosphere of winning – or losing!

Begin with winnings of "\$100" and try to double – or triple – your "money"!

Press 1, 2 or 3 to indicate bet amount. Winnings begin at \$100.

Press D to activate automatic re-coil (demonstration) mode. Program will re-spin until winnings reach 0 or until "quit" command is given.

Pressing any other key re-rolls using the same bet amount last entered.

Press "quit" to end game.
